

Catholic Women's
LEADERSHIP FOUNDATION

Empowering Catholic Women

OUR VISION

Our vision is a just, merciful, and compassionate world nurtured by the genius of women

OUR MISSION

Our mission is to fund leadership education that inspires Catholic women to be transformational and influential leaders where they live and work

Why Catholic Leadership?

We are nurses, retirees, lawyers, teachers, homemakers, sales clerks and we are Catholic women. As Catholic women, we can make a difference when we bring our faith and leadership skills where we live and work.

Who are we?

The Catholic Women's League has a long history of promoting and developing leadership abilities in our membership. The League has also cultivated a mutually beneficial relationship with the Sisters of Service of Canada. In 2012, the Sisters of Service and the Catholic Women's League, inspired by a shared mission of a just and compassionate world nurtured by women, brought to reality a vision to transform the leadership landscape education of Canadian Catholic women. From this vision, the Catholic Women's Leadership Foundation was

established. Together, the League and the Sisters of Service provided the initial funding to launch this exciting endeavour, agreeing that they would match each other's contributions. The Foundation was incorporated in 2014 under the Canada Not-for-Profit Corporations Act and later registered as a charitable public foundation. The Foundation Board was established in 2015 with the responsibility of developing women's leadership capacity-building programs of the highest quality that are consistent with Catholic values.
